

## GRANDA

Wall-mounted luminaires

### Description

GRANDA is a family of vandal-proof luminaires in a compact aluminum housing with a high degree of protection (IP65) for illuminating passages, utility rooms, entrances, and areas adjacent to buildings. A version with a decorative grid is optionally available.

### Installation

Mounted on the ceiling or wall surface.

### Design

Housing is made of die-cast aluminum. The control gear is mounted on a metal plate inside the housing. Stable CFL operation at ambient temperatures down to -20 °C.

### Optical part

Opal diffuser of polycarbonate.

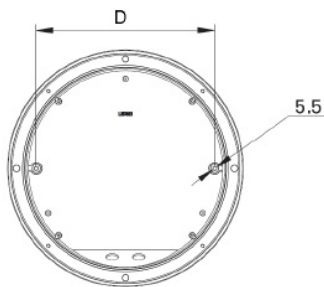

### Usage

Architectural lighting

Individual houses

Mall

Outdoor playgrounds
