

## MATRIX S LED

Ceiling-mounted LED directional luminaires

### Description

MATRIX S LED is a family of luminaires designed for entrances, sales areas, exhibition halls, and utility rooms. The die-cast aluminum housing has a high ingress protection rating (IP66) and IK10 impact resistance code, allowing industrial use. The efficient optics and the LED module used as the light source allows using the luminaire at heights of up to 10 m.

### Installation

The luminaire shall be fixed at the ceiling surface.

### Design

Housing is made of die-cast aluminum. The driver and LED module are located inside the housing.

### Optical part

Protecting translucent tempered glass. Beam angle - 26° or 60°.

### Usage

Cultural and entertainment facilities

Industrial enterprises

Mall

Outdoor playgrounds

Warehouse facilities
