

OPM/R

Luminaire with an opal diffuser

Description

Recessed luminaire. Improved frameless design. Opal diffuser with a microprismatic structure that prevents glare and provides uniform diffuser illumination.

Installation

Installed recessed in Armstrong type suspended ceilings or plasterboard ceilings using mounting clips. Order code for clips: 2905000110 (4 pcs per luminaire).

Design

White powder-painted all-metal weld housing. Control gear is installed inside the housing.

Optical part

Opal microprismatic PMMA diffuser of a frameless design. The diffuser is attached to the housing with clips that ensure tight contact with the ceiling.

Usage

Cultural and entertainment facilities

Educational institutions

HoReCa / hotels / restaurants / cafes

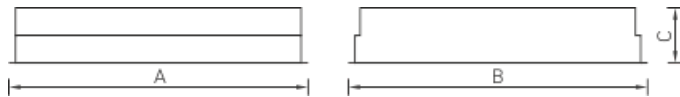

Housing and public utilities

Mall

Medical institutions

Office and administrative premises

Transport hubs (railway stations, airports)
